Re: Docket No. 2017-381-A – Impact of the Tax Cuts and Jobs Act on South Carolina Utilities

Dear Ms. Boyd:

The League of Women Voters supports the April 6 motion by the Office of Regulatory Staff (ORS) asking the Commission to take specific actions to preserve the benefits of the Tax Cuts and Jobs Act for energy consumers in South Carolina.

We are especially concerned that the benefits of tax cuts be preserved for consumers in the case of South Carolina Electric and Gas Company and its parent company, SCANA. Actions in the regulatory, legislative and judicial arenas have the potential to affect the overall financial situation of that company. We hope that the Commission will take immediate actions as requested by ORS to protect the interests of consumers who are the legitimate recipients of the benefits of these tax cuts.

Thank you for your attention to our request. Please contact me if you have any questions about our concerns.

Sincerely yours,

Lynn S. Teague, Vice President for Issues and Action
